AKIN EDUN - My name is Akin Edun and I've been a resident of Strood since 2005, where I have participated in various activities including being a local primary school governor since 2014. I currently sit as a non-elected member of Medway Council's Children's and Young People's Overview and Scrutiny Committee.

CRAIG LIDDELL - Hi I'm Craig and I've lived in Strood North & Frindsbury all my life. I'm a proud alumni of Strood Academy and Gordon Junior School and I have been involved in multiple projects throughout Medway for our young people.

OUR AMBITION FOR STROOD NORTH & FRINDSBURY

Being residents of Strood, we recognise that we live in a fantastic place. With our award-winning Greenspaces to our fantastic leisure facilities to the regeneration of Strood Town Centre, we are optimistic and ambitious for the future of Strood North and Frindsbury and, to make it even better we want to:

- Use Council owned buildings within Strood North & Frindsbury to help facilitate community events.
- We are committed to protecting all discount schemes at Council run facilities such as Strood Leisure Centre for our elderly and younger residents.
- We will actively investigate the possibility of bringing back Strood Market, either in its original form or an adjusted one.
- We will reinvigorate the Strood Town Forum so we can work with businesses and other stakeholders on local strategies regarding recycling, events and making the high street more attractive for residents.
- We are determined to facilitate events like Food & Wine Festivals and Artisan Markets throughout the year to make Strood align with other Medway areas.
